

Mens CPL X rules

CPL X is based on very well-known international format ***“the hundred”***

X Ball Rule	League	Semi Final	Final
X ball format	50 balls per inning = 10 overs per inning	60 balls per inning = 12 overs per inning	60 balls per inning = 12 overs per inning
Balls in over	5 balls per over	5 balls per over	5 balls per over
Bowling Limits	Bowlers can deliver either 5 or 10 consecutive balls	Bowlers can deliver either 5 or 10 consecutive balls	Bowlers can deliver either 5 or 10 consecutive balls
Minimum over limit	Each bowler has to bowl at least 1 over (5 balls)	Each bowler has to bowl at least 1 over (5 balls)	Each bowler has to bowl at least 1 over (5 balls)
Maximum over limit	2 bowlers – 2 overs	4 bowlers – 2 overs	4 bowlers – 2 overs
CPL X factor	Multiple of 10 th legal ball is CPLX ball	Multiple of 10 th legal ball is CPLX ball	Multiple of 10 th legal ball is CPLX ball
How many CPLX balls per inning	5 balls in total per inning	6 balls in total per inning	6 balls in total per inning
Power over	NA	NA	NA

What is CPLX ball?

Batter – batting team will get double runs of runs scored on that ball

Bowler – if bowler gets a wicket then penalty of -5 runs to batting team

Beamer rule

1st beamer in an inning – no ball + warning

2nd beamer in an inning – No ball + over cancel + batting team choice to select any bowler to complete that over (it could be the same bowler as well)

Semi-final & final

1 st and 4 th position team will play Semi-final 1	2 nd and 3 rd position team will play semi-final 2
Semi-final or final overs may differ as per time availability.	
In case of any emergency reason / delay in schedule committee can shift day 1 matches to day 2	

Other CPL rules and Celebria cricket rules will remain the same.

Please read all other rules carefully.
